

INTRODUCING DASA ACCOUNTANCY

Limited Company Specialist for Contractors, Freelancers, Temps & Agency Workers

DASA Accountancy is a full-service accountancy practice based in Edgware, London working on behalf of freelance professionals including sole traders, agency workers and those working through their own personal service or limited companies.

We also manage the financial affairs of many established businesses from a variety of sectors including limited companies and partnerships.

Our specialist team of Certified and Management accountants are committed to helping clients run their businesses efficiently from an overall financial perspective, whilst also ensuring that their tax position is compliant, efficient and appropriate to their professional circumstances.

We also provide independent IR35 assessments for all temporary assignments.
